# ABOUT US

Celebrate your special day with us at our converted barn, the Old Doghouse at the Three Greyhounds Inn, surrounded by beautiful Cheshire countryside.

The Old Doghouse Barn takes its name from the barn where the original three greyhound coursing dogs were housed when the pub was a working farm. Now a large, rustic, versatile space, it is the perfect location for a country wedding. It is full of atmosphere, with original barn features, beams adorned with dried hops, candled sconces, old dressers and a characterful bar.

With exclusive use of this completely self-contained space, you have a venue which comes fully staffed with its own bar, indoor and outdoor toilets, and plenty of room for live music and dancing.

Hire of the Old Doghouse also includes the use of its adjoining garden surrounded by green fields. The large lawn and pig-pens reimaged as a quirky seating area make the perfect place for summer drinks receptions, and give you the option of adding a marquee or tipi as an alternative space to host your guests. With add-ons including a delicious evening barbeque menu, outside bar setup, and fire pits, the space transforms from day to night.

# F A Q S

Do I have to book my own ceremony?

You are fully responsible for booking your own ceremony. The team at Cheshire West are the people you need if you would like to be married at the Three Greyhounds Inn. Please contact them on 0300 123 7037 or email [chesterregisteroffice@cheshirewestandchester.gov.uk](mailto:chesterregisteroffice@cheshirewestandchester.gov.uk). If you would prefer a non-legal ceremony or blessing please ask us for recommended celebrants.

Do you have accommodation on site?

We do not have rooms on site, however we have an extensive list of local accommodation.

Who dresses the venue?

You are responsible for dressing the venue on the day and during the 'turnaround' from ceremony to reception. We are happy to help if the table centres etc are small and simple, but if you have lots of items we recommend using a venue dresser.

What do we need to provide for the tables?

We provide all crockery, glasses, cutlery and water jugs. You are responsible for providing your own table centres, name place cards, printed seating plan, and cloth napkins (we will provide paper napkins if you do not want to use your own) We do not provide tablecloths.

Can we use our own caterers?

We do not allow the use of outside caterers, or for food to be brought in to the venue. The only exception to this is a cake, or anything agreed beforehand with your event manager.

Do you offer corkage?

Likewise with catering, we do not offer the option of corkage unless in the unlikely event it is something we are unable to obtain through our suppliers. We work closely with our wine suppliers and are happy to provide something that isn't on our existing wine lists.

## C O N T I N U E D . . .

Can I have a band or DJ?

We have plenty of space for full bands or DJs. You are welcome to use whoever you like, or please ask us for recommendations. Please note that all bands/DJs must provide their own PA system.

Do you provide background music?

You are responsible for providing all playlists for your day, which can be played through our PA music system at no extra charge. You can provide the playlists on a phone, tablet or laptop. Please note that you may require an adapter depending on your device (the PA connects via an AUX cable), and the playlists must be downloaded.

Who controls the music during the ceremony?

We will control the music on your behalf for the ceremony. Please ensure it is provided in the following playlists:

- Aisle (1 song)
- Register (3-5 songs)
- Exit (1 song)

The music will need to be downloaded, and the team will require any passwords or passcodes for your device prior to the ceremony.

Do you have a recommended suppliers list?

Yes we do! This will be sent over after the deposit has been received along with your booking contract. We are not tied to any suppliers so you are welcome to source your own vendors for your day. Please ask us if you need any advice!
