WEDDINGS AT THE OLD DOGHOUSE
AT THE THREE GREYHOUNDS INN

ABOUT US

Celebrate your special day with us at our converted barn, the Old Doghouse at the Three Greyhounds Inn, surrounded by beautiful Cheshire countryside.

The Old Doghouse Barn takes its name from the barn where the original three greyhound coursing dogs were housed when the pub was a working farm. Now a large, rustic, versatile space, it is the perfect location for a country wedding. It is full of atmosphere, with original barn features, beams adorned with dried hops, candled sconces, old dressers and a characterful bar.

With exclusive use of this completely self-contained space, you have a venue which comes fully staffed with its own bar, indoor and outdoor toilets, and plenty of room for live music and dancing.

Hire of the Old Doghouse also includes the use of its adjoining garden surrounded by green fields. The large lawn and pig-pens reimagined as a quirky seating area make the perfect place for summer drinks receptions, and give you to option of adding a marquee or tipi as an alternative space to host your guests. With add-ons including a delicious evening barbeque menu, outside bar setup, and fire pits, the space transforms from day to night.
